16 May 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 16 May 1967

DDCI was in the chair. The Director was on the Hill.

25X1

Godfrey briefed on the latest information concerning eight Soviet medium transport planes which were scheduled to transit China en route to North Vietnam.

K1 [ ] alerted the DDCI to the receipt of a letter to the Director from General Carroll requesting a study by the SIGINT Committee.

Carver initiated a discussion on an Agency report on the effects of the bombing in North Vietnam. DD/I said that he will have this report and another similar one examined with the idea of preparing a comment.

K1 [ ] for Warner said that Representative Lipscomb had called to express his thanks for yesterday's briefing. Executive Director reported on the briefing, which ran from 0800 until 1230 at Headquarters. DD/S&T described the black budget briefing which he attended yesterday afternoon.

25X1

DD/S&T called attention to an item in the Washington Roundup section of Aviation Week on the presence of SS-3 missiles in Hanoi. (See Action 1)

DD/S&T said that he will be at NSA this afternoon.

25X1

25X1

DD/S&T said that he still does not have an answer for the Director  
[redacted] DDCI suggested that DD/S&T prepare  
a memorandum on this problem for the Director's possible use at the  
next USIB meeting.

DDCI discussed the special USIB meeting scheduled for this after-  
noon at which the Director's Nuclear Panel will report its analysis of  
the Chinese program.

ACTION:

1. DDCI asked the DD/I and DD/S&T to prepare a comment on  
the item in Aviation Week concerning SS-3 missiles in North Vietnam.
